Who We Are

ArvataLogix Inc, a HUBZone & Service-Disabled Veteran-Owned Small Business, is headquartered in Schenectady, NY, and operates as a DBA of Liuos Thinking Inc. We specialize in providing a comprehensive array of innovative services to commercial and government clients, including the management of logistics, technology, engineering, and consulting.

Our team consists of professionals with a diverse range of skills, including technology and construction, as well as military and first responder experience. Our capacity to provide quality service for all mission types and serve a variety of sectors is a direct result of our distinctive blend of knowledge, skill, and personnel.
