Dear Friends,

I would like to take this opportunity to congratulate you on your completion of the National Center for the Veteran Institute for Procurement (VIP). I am pleased to add my recognition of this remarkable achievement that reflects your service and dedication to your country and community.

Since its inception in 2009, VIP has trained and empowered hundreds of veteran-owned small businesses. This program is committed to serving those who have sacrificed so much for our country, and I commend the work of the VIP team. I was delighted to hear that Liuos Thinking, Inc. was selected as one of 50 businesses nationwide to attend this year's program. As an engineer by trade, I admire your companies' ability to deliver creative solutions grounded in logic, analysis, and data. I have no doubt that your team will benefit from this week's instruction, and I am confident you will continue to make a positive impact on the Capital Region and beyond.

Please accept my sincerest gratitude and appreciation for your service to our country. You have proudly represented our great State of New York and skillfully demonstrated your talents to the rest of world. You have my very best wishes for your continued success. Please let me know if I can ever be of any assistance. My door is always open.

Sincerely,
